The HANDWASHING Song
Sung to the tune of Row, Row, Row Your Boat

Rub, rub, rub your hands,
Get them nice and clean,
On the top and underneath
Especially in between,

One verse is not enough
to get the job well done,
Sing it twice, that's my advice,
Then the germs are gone.

CORONAVIRUS FACTS:
There are many different types of coronaviruses. Most cause mild symptoms (the common cold).

The new coronavirus is named "SARS-CoV-2" and it causes an illness named "COVID-19."

The symptoms of COVID-19 are a fever, cough, and difficulty breathing. Most people who get sick will recover.

Remember to wash your hands often and don't pick your nose! If you get sick, stay home and cover your cough.

The CDC (Center for Disease Control) and WHO (the World Health Organization) are good sources of information if you want to learn more about COVID-19.
