About SOS Illinois

SOS Children's Villages

Illinois offers an innovative approach to traditional foster care. Our model of care gives children the opportunity to live in a nurturing, stable, single-family home with their brothers and sisters in the care of a full-time, professionally trained foster parent in one of our Villages. Additionally, through Casa Tepeyac, we provide in-home family services and supportive resources to at-risk families in the Back of the Yards neighborhood of Chicago.
