CEO Message

EVERY PERSON IS A GIFT

EACH OF YOU ARE PRECIOUS
GIFTS TO OUR MISSION AND
THE CHILDREN WE ENDEAVOR
TO NURTURE AND GUIDE

SOS CHILDREN'S VILLAGES ILLINOIS CEO
- TIM MCCORMICK

We are well into a new year, but we are still overwhelmed by the support you showed us in 2016. You help us continuously do our best to provide a safe, stable, loving, and healing place for the brothers and sisters in our care. We never take for granted that you help us share our gifts and talents every day of the year. Each of you are precious gifts to our mission and the children we endeavor to nurture and guide.

It is true, as they say, that gifts can keep on giving. This is certainly felt through the act of contributing tangible gifts through our Holiday Giving Program, ensuring that each child has the experience of receiving and opening gifts meant just for them. This outpouring of love transforms the way our children experience the holidays by creating new and lasting memories for them. That in and of itself is an amazing gift to witness: the gratitude of the children in our care at the realization that there are people who, without knowing them directly, care enough to spread holiday cheer. The other gift is a profound one: your commitment to creating new and lasting memories for our youth.

The holidays bring to light that what we do every day of the year at SOS Illinois is made possible by a community of individuals who collectively do so much to fulfill our mission. From our staff and Board of Directors to our volunteers and those in the community, each person is a part of the SOS Illinois extended family and makes a marked difference.

For our children, this means that you encourage them to explore their talents and aspirations and recognize the gifts they are. You join us in inspiring them to thoughtfully consider what they can contribute to others and the world around them. You are pivotal to helping us instill this in our children. You help us show them, through action, the power of generosity and the importance of continuing to pay it forward—not just during the holidays.

It is always a goal to sustain and extend the sentiment of generosity and giving back—that is so deeply felt throughout the holiday season—throughout the other months of the year. As we look forward to all that is in store for our community in

2017, it is with a deep level of gratitude to our partners for all that you have made possible this past year, and an abundance of hope and excitement around what is possible for us as an organization and community this year.

One monumental development for 2017 is the building of a brand new community center at our Roosevelt Square Village. In partnership with Maestro Cares Foundation, this space aims to provide safety, stability, and resources to the surrounding community and children and families. It is a truly impactful gift that will help us realize a complete vision for our Roosevelt Square Village.

Your support of our children and families strengthens our mission and helps us better fulfill it, and your dedication and kindness are priceless gifts. We look forward to the work we will do together this year, sustaining our partnerships, and engaging with each of you—valued gifts to our Villages and the children and families we serve.

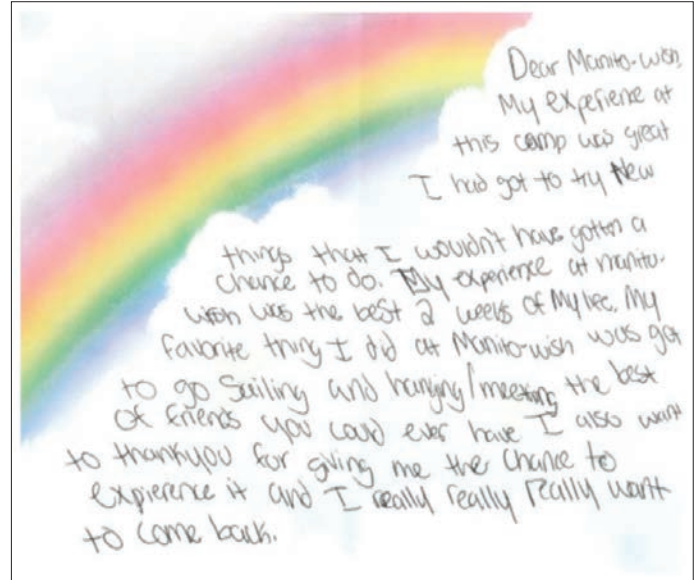

VILLAGE VOICES

GRATITUDE: IN THEIR OWN WORDS

Throughout the year our partners and supporters have provided our youth tremendous opportunities for enrichment and learning. From the gift of summer camp attendance to career days, all of the children in our care, from the youngest to our graduating seniors, were impacted by your generosity and thoughtfulness.

Thank you for your continuous support and opening doors for every brother and sister of SOS Children's Villages Illinois.

"My experience at this camp was so great... My favorite thing I did at Mainto-wish was to go sailing and hanging/meeting the best friends you could ever have."

Dear Mr. M. Huntley,

I would like to say thank you for allowing me to have a great experience. I believe Career Day was outstanding. The different career paths we explored taught me what to expect and what is possible when I am prepared. It meant a lot for you guys to make us feel welcomed. I learned so much about the different ways to advance professionally. I especially liked shadowing Ms. Pearl from the housekeeping department. She had so much information to share. I now have real understanding of knowing what it takes to work in that department. Ms. Bridgette also gave me great information in preparing interviews. It was just such a great experience.

So again, I want to thank you and the Swissotel team for the Career Day. I rank it at the top of my high school experiences. This will continue to help me plan my future and I will always remember the opportunity. Maybe you should remember this day too, so when I interview soon you will be reminded what a great impression that day made on me.

FAMILY MATTERS: MEET ELLA CASEY

Ella comes to us from Neighborhood Housing Services (NHS) where she served as the Director of Human Resources and Organizational Development. Ella was highly successful at NHS in directing recruitment strategies and pipelines for all levels of positions. Ella has been a board member for the Center of Correctional Concerns, which works to help inmates in the Will County jail achieve educational goals. She is also a mentor at AG 47, an organization that works with young women to amplify their voices through art and provides them an opportunity for positive creative expression. Ella demonstrates tremendous enthusiasm and focus. We are delighted to have her on our team.

IN YOUR FIRST FEW MONTHS AT SOS ILLINOIS, WHAT HAVE YOU BEEN MOST PROUD OF ACCOMPLISHING?

I am really proud of the team we hired to support everyone at SOS Human Resources. Steph, Phalyn, Krystal, and I make up a strong team. We all seem to be on the same page when it comes to what we value and we all want to improve the organization by our work. Our team is definitely what I'm most proud of, as that's how we're going to make progress on our goals, and I remain impressed with how quickly we're learning and taking initial strides together.

HOW DOES YOUR DEPARTMENT IMPROVE THE ORGANIZATION AND THE LIVES OF THE CHILDREN IN OUR CARE?

Who we hire and how we train all of our staff has a direct impact, as we're making decisions about who will be an influencer in a child's life. Foster Parents, Child Welfare Specialists, Relief Parents, Village Directors, In Home Family Services Specialists, Education and Activities Coordinators, and everyone here has the potential to extend themselves for the growth of children in our care. All of us contribute to our unique cultural fabric through our actions and behaviors. So, the shared responsibility of hiring with other managers is probably the most impactful

part of HR. How we assist employees with questions, how much we spend on benefits, how efficient our systems are—all of these have a residual impact on our mission but are not as direct as who makes up our team.

WHAT DREW YOU MOST TO THE SOS ILLINOIS MISSION?

I heard about the SOS Foster Parent model and felt my heart leap — in a good way. The potential for positive impact by being a part of this organization is immense, and I am so grateful for the opportunity to dedicate my working energy to our team and to help the children in our care.

IPS ARE OUR BIGGEST GIFTS

SPECIALIST STAFFING GROUP - \$100,000 PLEDGE MET

For the past two years, Specialist Staffing Group has dedicated their U.S.-based fundraising efforts to support the building of a new SOS Children's Villages Illinois community center for our Roosevelt Square Village. Through its CSR (corporate social responsibility) mission, Specialist Staffing Group made a commitment to support SOS Children's Villages Illinois with a \$100,000 pledge toward this effort.

Regional offices from across the United States including New York, Boston, Austin, Houston, San Francisco, San Diego, and Chicago all participated. From dress down days to bike rides, bake sales, and auction events, the staff dedicated most of their philanthropic efforts to SOS Illinois.

After thousands of gifts, hundreds of donors, and countless events and programs across the United States, we are proud to announce that Specialist Staffing Group surpassed their \$100,000 goal last month. Much like the collective work

that each of our Foster Parents and support staff do each day to ensure the children in our care feel safe and know they are loved, this too is a wonderful example of the power of community. We are so very grateful to all the employees at Specialist Staffing Group for their commitment to this endeavor, and we look forward to celebrating in the months to come.

RUNNING FOR TEAM SOS ILLINOIS

Each year, runners from around the country and globe come to cross the finish line at the Chicago Marathon. It is a race for both elite and everyday runners and is one of the most

recognized and largest marathons in the world. This year, we were proud and fortunate to have three of our very own extended family members running and fundraising for Team SOS Children's

Villages Illinois. We are pleased to introduce Ryan, Lucas, and Livvie, and thank them for their incredible training and dedication to the SOS Illinois mission and youth.

"NOTHING IN THIS WORLD HAS BEEN MORE IMPORTANT AND VITAL IN MY GROWTH THAN THE LOVE AND SUPPORT OF MY FAMILY THAT I HAD GROWING UP. I AM RUNNING THIS CHICAGO MARATHON TO STRIVE TO BRING EVERY CHILD IN OUR COMMUNITY THE SAME CHANCE AT LOVE AND SUPPORT THAT I WAS LUCKY ENOUGH TO HAVE GROWING UP."

RYAN

"I work with at-risk youth in schools and found the family unit to be the most important resource a student has. I ran the Chicago Marathon for SOS Children's Villages Illinois to spread awareness about the unique work this organization achieves by keeping siblings together and providing holistic wrap-around services. I am humbled to represent SOS Illinois in the Chicago Marathon this year."
